

BY SENDING MY CHILD TO SCHOOL I HAVE READ AND AGREE TO THE FOLLOWING
CONDITIONS

As a school we will

- Allocate your child to a key group with a key person
- Ensure staff to child ratios are correct and keep staff as consistent as possible for that group
- Use outdoor space and keep windows open to ventilate rooms
- Inform you as soon as possible if your child becomes ill or displays symptoms of Covid 19
- Work with Kirklees Infection Control Team and Emergency Planning Department in line with our contingency plan if we have a significant number of positive cases
- Wear PPE equipment when changing children from toilet accidents (aprons, gloves)
- Ensure children wash their hands regularly during the session
- Clean frequently touched spaces between groups
- Maintain communication face to face or on the phone
- Be available for phone consultations when requested, these will be outside group hours as staff will be in the room.
- Keep in contact with you and your child and offer activity ideas if your child is self-isolating.
- Keep our activity ideas published on the website
- Keep our website up to date with current guidance and risk assessments
- Keep a small number of PCR tests in the building if parents are struggling to access one.
- Have lateral flow tests in stock for staff to test twice weekly

As a parent I will:

- Keep my child at home and inform school if they are unwell.
- If my child displays any of the symptoms of Covid 19, isolate them until they have had a PCR test.
- Provide nursery with up to date contact details and ensure I am contactable whilst my child is at nursery
- Drop off and collect my child at the correct door. We are still encouraging parents to drop off at the door.
- Ensure I am on time to drop off and collect from the correct door
- Make sure my child comes to nursery in fresh clean clothes every day, clothes worn at nursery must be washed when they come home – but not best clothes as children use glue and paint.
- Agree to self-isolate my child as advised by NHS if my child has a positive Covid 19 test result
- Make an appointment to talk to my child's key person if I require a longer conversation.
- Send my child to nursery each day with a change of clothes, a named water bottle, appropriate clothes for the weather (waterproof coat, wellies, sunhat etc).
- Apply sun cream on my child before the session. I understand staff will not be putting on sun cream. If my child stays for a full day then staff will supervise and help my child to apply sun cream
- (If appropriate) Provide an in-date inhaler to stay in school for the rest of the term

Please keep the agreement and return this signed (if returning by email please type your name on the sheet and we will take this as an digital signature

I agree to the home/school agreement.
