

What are we learning this Autumn?

Welcoming the Cozy Season!

As the weather changes our children are learning all about the seasons, they are looking at the different shapes, colours and sizes of the leaves as they fall. Please ensure your child has a warm coat and appropriate footwear to enable them to enjoy their outdoor learning.

To **PLAY** a game with others until someone wins

We will be sharing the book "Time to share". Our children will be learning lots of skills around playing games, taking turns, listening and following simple instructions.. This can be rolling a ball to a friend, waiting to use the jug in the water etc

Ideas for home - Peekaboo & tickle games. Pointing and looking at pictures in books. Beginning to play simple games for example chasing, rolling a ball, patting a balloon.

To **INVENT** a story to share with others

We will be starting to use their imaginations, exploring things they know in the home corner. Playing with small world people and cars. Sharing books, naming items and looking at the pictures. "I wonder where the dog is going?".

Ideas for home - sharing lots of stories and telling stories. On the way home "I wonder where that car is going?"

To **CREATE** in different ways

We will be exploring different ways of creating using our voices, and bodies with songs and dances. We will also explore sound makers and instruments.

Ideas for home - singing familiar nursery rhymes and making up gestures. Go on a sound hunt, what sounds can you hear and what sounds can you make?

Makaton signing

We are learning Makaton sign language in nursery. Ask your child to teach you:

I hear thunder
Incy Wincy Spider
I can sing a rainbow

They will also be learning some Christmas/Winter songs.

Dates for the diary

Christmas Party - Friday 19th December (all children to attend AM)

REMINDERS

Stay and Play Sessions - Every Thursday 9.30-11am
